## On October 3 make your vote count **twice**

In Wannon,  
**Vote 1**  
**Robert O'Brien**  
(Independent)

In the Senate  
**Vote 1** above the line (**Box 1**)  
**Deb Nicholson**  
Australian Womens Party

**Deb Nicholson**  
believes that  
there should be  
more women in  
parliament.  
She is standing  
for election on  
behalf of all  
women

Voting **1** for an independent or minor party of principle and giving one of your next preferences to the party you think will win government does two things:

1. sends a message to the major parties that they are out of touch;
2. gives \$1.62 of electoral funding to Robert or Deb to help them pay for the costs of their campaigns.
